Campference 2019

The Kansas 4-H Youth Leadership Council is excited to plan and host 4-H Campference!!! This event is focused on "betweenagers," youth ages 12-14, and will be held June 23-26, 2019 at Rock Springs 4-H Center.

Participants will experience the feel of a conference, while enjoying the "camp" activities Rock Springs 4-H Center has to offer. Campference will feature workshops about opportunities in the 4-H program, becoming a leader and activities to energize youth while learning healthy living skills and how to better interact with others. Participants will meet other youth from around the state of Kansas.

Last year's event was terrific and those that attended highly recommend that you consider it too!

If you are interested in being part of Campference, please register early! Space will be limited, and filled on a first come first serve basis. In 2015-2018 Campference was full before the deadline, with a waiting list. After online registration, fees must be paid in the local Extension Office by May 15, 2019. Campference is being sponsored by Farm Credit Associations of Kansas and the Kansas 4-H Youth Leadership Council.

However, priority is given to sophomore complete and above. As a counselor you will lead a group of 8 or 9 campers. Being a counselor is a great experience and a tremendous challenge. Horse Identification Papers Due May 1

Horse deadlines are quickly approaching …let’s review a few frequently asked questions.

Horse Ownership: Youth may own the horse themselves, or use a family-owned horse (immediate family: mother, father, stepparent, brother, sister, grandparent, or legal guardian).

Leasing: The leasing option is intended for youth who are unable to participate fully in the 4-H horse project because they do not have access to family-owned horse, provided that they manage the horse at least 75 percent of the time from May 1 through September 30. If a 4-H member leases his or her project horse to another 4-H member, the lessee forfeits the right to use the horse.

Sharing project horses: Siblings may show the same horse provided they are not in the same class. If both are in the same age classification, they must decide what classes each will show in.

2-year and 3-year old Snaffle-bit: No one is allowed to ride this nominated horse except you from May 1 until the conclusion of the Kansas State Fair. This includes a trainer, parents, horseless horse member, another 4-H member, sibling, potential buyer, etc.

Reminder there is a new form for 2018, all information must be on the new form to be eligible for the state fair. You may go to this link to get the updated version https://www.bookstore.ksre.k-state.edu/pubs/P1039.pdf or pick one up at the Extension Office
