Standard for 4-H and FFA
By: Pam VanHorn

The purpose of the standards outlined below are to assist in determining eligible participation in FFA and/or 4-H Youth Development learning experiences. Both 4-H and Agriculture Education/FFA promote teaching youth life skills. Each program exists to maximize the participants’ knowledge of agriculture and its value to our communities while educating the young people to become productive citizens. Eligible youth may participate in both 4-H and FFA but should avoid duplication. The following standards of participation are used in delivering the 4-H and FFA programs in Kansas.

1. Agriculture Education teachers, FFA Advisors, Extension staff and local volunteers are encouraged to cooperate in sharing information and resources to provide educational opportunities for youth.

2. When young people are members of both 4-H and FFA, they must plan and manage separate projects, and/or supervised agriculture experiences (SAE) programs.

3. FFA and 4-H members may enroll in the same area of experience in 4-H and FFA, however; participants cannot identify, nominate, manage, keep records on, or exhibit the same plants, animals, etc. in both organizations. Members must designate exhibits as either FFA or 4-H at weigh-in, registration or similar deadline.

4. Members may participate in judging contests and related events in FFA and 4-H but cannot represent both organizations at a contest, show or event at the same time.

5. When 4-H and FFA are conducting collaborating activities, both the 4-H and FFA organizations must be represented through emblems and information on all signs, print materials and awards.

6. Collaborating FFA and 4-H activities or events are obligated to have supervision representation from both organizations.

The standards are in agreement with Kansas 4-H and FFA and hereby affirmed by members and professionals in order to participate in either educational program.

New for the 2020 Greenwood County Fair

1. Photography judging will be on Saturday, July 18 starting at 8 am. Horse show participants will be judged first.

2. Kim Gaines will be sponsoring a photo category “4-H Spirit Photography Special Category Award.” 1 color entry per 4-H member (needs to be enrolled in the photography project) that depicts the spirit and promotion of the 4-H organization. A $20.00 cash prize will be awarded.

Guidelines are:
♦ Photos could be selected to go to the state fair under the color category
♦ If entering your color photo in the special award there will be a sticker to apply to your entry. See end of newsletter for details
♦ This is a one winner category
♦ All members would acknowledge that the GWCO Extension and Research office and/or ambassadors would use these photos for publication and promotion.
♦ Upon being selected for these possible projects, a digital file will need to be submitted to the extension office at a later date.
♦ The photo would not be eligible for open class
♦ This would not increase the number of photos a 4-H member could enter at the county level

Greenwood County 4-H Favorite Food Show
Friday, May 22nd, 2020, 1:30 PM
Greenwood County Courthouse

Favorite Food Show is an exhibit and contest to encourage 4-H’ers to learn about meal planning, food preparation, and presentation. This is a creative and fun event for 4-Hers. The 4-Her should also know some of the nutritional value of the food and be able to discuss that with the judge.

Kansas State Youth Livestock Nomination Process

Step-by-Step Guide

Step 1 - Tagging
Animals eligible for the Kansas State Fair (KSF) or Kansas Junior Livestock Show (KJLS) will need an appropriate Kansas-ILDLD ear tag placed in the ear of the animal by the agent for qualified individuals designated by agents.

Step 2 - Paperwork & Signatures
Exhibitors and a parent or guardian will complete and sign the updated 2023 declaration and nomination paperwork. Exhibitors/owners must use the official declaration form per year. Additionally, each species has a unique nomination form that must also be used to nominate animals. Exhibitors are highly encouraged to use the checklist that outlines the requirements for each species as a guide to complete the nomination process. These forms may be obtained from the local Extension office or the Youth Livestock Program website (www.youthlivestock.ksu.edu), under "Nominated Livestock". You may also click here for the direct link.

Step 3 - DNA
Exhibitors will pull a DNA sample from the animal and place it in an official DNA envelope. The DNA envelopes are not species specific, but an official envelope must be used. Exhibitors will need to designate the species and ear tag number on each envelope, as well as include the signature of the eligible exhibitor within the family household and a parent/ guardian. Official DNA envelopes may be obtained from the local Extension office. DO NOT CUT THE HAIR - hair follicles MUST be used for DNA. Detailed instructions and videos for pulling DNA on each species may be found on the Youth Livestock Program Website, under "DNA" or by clicking here.

Step 4 - Visit Extension Office
In addition to the guarantees and paperwork signing the nomination paperwork, youth will have their agent swear in and sign the declaration and nomination forms. Exhibitors' Agents will also provide the barcode sticker(s) for the nomination form that corresponds to the ear tag number(s) for each animal being nominated.

Step 2 - Mail Nominations
Exhibitors will mail their completed declaration, nomination forms, DNA envelope and check/postage to K-State to be processed. Certified mail is highly encouraged and suggested. Postmark deadlines are strictly enforced.

Step 1 - Market Beef, Jade 15, Market Sheep, Commercial Livestock, Market Goats, Commercial Pigs, and ALL Meat Goats. Regardless of personal dates, nomination materials MUST be received within 15 days of the deadline to be accepted. K-State, KJLS, and the Kansas State Fair are not responsible for lost or misdirected mail.

Step 6 - Verify Nominations Submitted
K-State will process nominations received and post weekly updates regarding complete/incomplete nominations on the Youth Livestock Program website, under "Nominated Livestocks > Check Nominated Livestocks". It may also be accessed by clicking here. During this process, letters will also be sent to individual families/individuals listing the species and ear tag numbers received, as well as verifying whether or not their nominations are complete. This is the exhibitor's final opportunity to verify the accuracy of the nomination information received by K-State.

*You're not done yet! Final Step - OFFICIALLY ENTER SHOW*

NOMINATION IS NOT AN ENTRY. Exhibitors MUST submit an official ENTRY for the appropriate youth livestock show. The Kansas State Fair and Kansas Junior Livestock Show are responsible for entrants designated for entry in their respective entities. Exhibitors must follow the proper entry process for each show. Exhibitors must have a valid entry on file at each respective entity to be eligible to show. Kansas State Fair Grand Drive (youth livestock show) entries are due by July 15th. The KJLS entry deadlines are August 15th. Entry information may be obtained from the local Extension office, or the website for each show.
