Horse Project Updates

May 1st is the deadline to submit horse ID papers to the extension office. You need to do this if you have intentions of showing at either the GWCO Fair or the KSF. Some things have had to be changed this year in regards to showing at the district show and KSF. All district horse shows had to be cancelled as it fell within the dates of ban on in-person events. So this year if you would like to show at the KSF, you must submit your horse ID papers by May 1st, and you must have passed your Achievement Level 1 testing (written test and riding test). If you are interested in showing at the KSF this year and have not yet completed your achievement level testing, please get with Lindsay to get this done.

SEA 4-H Contests

SEA 4-H contests will be held virtually. These include livestock judging, meats judging, skillathon, crops, photography, fcs, and so much more! Make sure you’re polishing up your skills! These contests will be held in the month of June. Remember, these contests will determine who represents Greenwood County at the state 4-H livestock contests held in Manhattan August 22nd and 23rd.

COVID-19 Update:

K-State Extension and Kansas 4-H remain under a ban lasting until July 4th, on any in-person events or gatherings. This includes all Extension programs and 4-H club work. We encourage our 4-H clubs to be moving as much of our meetings and activities to a virtual format as we can.

With this, across the state we have had to cancel/postpone many of our summer activities. From the state 4-H office this was not done lightly but to maintain the health and wellness of our 4-Hers and their families. We share in your disappointment over the cancellation of so many great activities we had planned for this summer. We are trying to offer as many of our summer activities in some format as possible. Be on the lookout for more information about virtual discovery days classes, and a 4-H Campout!

2019-2020 Achievement Pins

With the COVID-19 so many events have been canceled to help 4-Hers meet their pin requirements a temporary exception list is being made for this years achievement pin applications. They will be emailed out in May and put on our GWCO website.
Favorite Food Show is an exhibit and contest to encourage 4-H’ers to learn about meal planning, food preparation, and presentation. This is a creative and fun event for 4-Hers. A “Favorite Food” is chosen, and is recommended that it is one the 4-H’er likes and likes to prepare. A menu is planned with the food, and the table decor is coordinated. Foods chosen may be main courses, desserts, snacks, breads, casseroles or any other.

A recipe card and a menu card should be displayed with the proper table setting. The 4-Her will visit informally with the judge and tell how to prepare and serve the food, why they selected the table service and dishes, and why the centerpiece is appropriate. The 4-Her should also know some of the nutritional value of the food and be able to discuss that with the judge.

*There are no hard and fast rules, but the following score card is suggested:*
