## New FairEntry System for 2022

Beginning for the Greenwood County Fair in 2022 we will be utilizing a new updated FairEntry System. There is many benefits to this new system, and we’re excited to use all it’s new tools. While this system will help with many of our processes in the office, learning new systems can come with a challenge. We ask for patience as our members work through this new system. The office is here to assist you throughout the entire process. We will be utilizing this system beginning with our Junk In The Bucket registration.

Shooting Sports National Opportunity
We would like to congratulate Wylee Boulanger and Barrett Pirtle for qualifying for the National 4-H Invitational Shooting Sports Match next summer in Grand Island, NE. They will be a representing Kansas in the Compound Archery division along with 2 other archers from Frontier District. Brad Boulanger, our Greenwood Co archery instructor, has also been chosen to be the Kansas Team Archery Coach for the National Team. Brad will be scheduling several practices for the team as spring approaches, as the National level will include longer distances on the range than the State levels requires. The National competition will be June 26th - July 1st of 2022. All participants are required to be present for opening and closing ceremonies. Boulanger and Pirtle will be fundraising after the 1st of the year to help support their opportunity.

Shooting Sports Safety Meeting
The Greenwood County Shooting Sports program is growing. For those new to the program, it is "REQUIRED" that the 4-H’er attend a shooting sports safety meeting each year to participate. We will be finalizing the date and details soon. We will host this meeting in the early winter months as archery will begin late winter/early spring. We will be hosting a 30-45 minute meeting for shotgun and archery separately but in the same day. These meetings will be a little more in depth, i.e., learning gun and bow maintenance protocols and reasons for malfunction. Make sure your child is enrolled in shotgun and/or archery to receive communications. Watch your email for details. Contact S/S Coordinator Annissa Boulanger with questions; fivebtribe@gmail.com or 620-583-4100.

County Club Days—February 12th

4-H Day is just ahead, Saturday, February 12th, and it’s time to make your entries with your leader. 4-H Day will be held at Hamilton Elementary school. Guidelines are included in this newsletter relating to times, ages, etc. Our county club day follows the guidelines for regional with the exception of adding a younger gavel games division. Cloverbuds may participate in Show & Share and club skits.

Gavel Games will continue to have 3 age divisions: Basic (7-9), Junior (7-13), and Senior (14 and up). A team may use a younger member to complete their team, but not one from an older age group. Basic is designed to be an introduction to Gavel Games with only 3 problems and no written test. It is not eligible to go on to Regional. An alternate (5th member) may be used at county, but not at regional competition.

Show and Share is for the 1st and 2nd year member doing their first talk at 4-H Day- AND for Cloverbuds who want to give their first presentation. We ask that Cloverbuds enter just as other 4-H’ers will. It is an encouraging experience and will not be judged. The 4-H’er will talk with the judge after their presentation. They will receive a special ribbon.

Demonstrations tell or show how to do something. They demonstrate a process and show a finished product.

Project Talks tell about the 4-H’ers project, or some aspect of it.

Public Speaking is an informative presentation on a current affair or public policy topic. An outline is presented to the judge.

Video Presentation-on a Flash Drive or CD allows a 4-H’er to include information and visuals not possible to bring to 4-H Day. It is also a possibility for having an entry when a 4H’er can not attend 4-H Day. Not eligible for regional competition.

Music presentations should present the judge with an original set of music with measures numbered. Be sure to put your name on it. Copyright laws prohibit photocopying of music. Pre-recorded accompaniment may be used, but any variations should be noted on the written music.

Talent includes skits, novelty, juggling, puppets, magic, etc.

Dance includes square dance and other dance routines choreographed to music.

Model Meetings: Join your whole club as they demonstrate their parliamentary procedure skills together as you host a mock meeting. Tips from judges will help your club improve!

Register: An email will be shared with everyone on February 2nd to begin signing up for individual presentations, check your email! Registration on SignUpGenius by February 9th at 5pm.

We hope you will participate in and enjoy 4-H Day. The ultimate objective is that 4-H’ers feel good about who they are and what they have done. It’s always encouraging to see the talent and skills of our members. As you watch other 4-H’ers numbers, remember to compliment them on their performances. The judges will determine the top numbers that day in each division. These will be eligible to represent Greenwood County at Regional 4-H Day, date TBA.

JUNK IN A BUCKET

Junk In A Bucket is a project that is being sponsored by the Madison Pacesetter 4-H Club. The Madison Pacesetter 4-H Club is using this project as their Club Project. The purpose of the project is for our club’s Leadership Team to learn how to develop a project and follow through every step in order to make an exhibit at the Greenwood County Fair in a special designated class.

Junk In A Bucket will be offered again as a class at the 2022 Greenwood County Fair. The project will begin with a special enrollment that will be due to the Greenwood County Extension Office by Monday January 31, 2022. Drawings for the buckets will be held at County 4-H Days on February 12, 2022.

Each participant will draw for a random numbered bucket on that day. You do not have to be present in order to participate, but you do need to arrange to pick up your bucket at another time.

Ground Rules for Junk In A Bucket:

1. Pre-entry is required and will be due by Monday January 31, 2022. Registration will open January 3rd. A link to sign up will be emailed out to all 4-H members. If you have any issues signing up, please contact the Extension office.

2. Random drawings for the buckets will be February 12, 2022, at County 4-H Club Days.

3. Photos of each bucket will be taken. NO extra materials may be used in the creation of the project.

4. Any of the items in the bucket MAY be cut or reconfigured, but NO items may be added.

5. Items in the bucket may be welded. Baling wire may be used to connect items, but may be used ONLY to connect pieces. No extra wire is allowed. Zip Ties may also be used to connect items in the bucket.

6. In creating the project, all items in the bucket DO NOT have to be used.

7. Projects may be painted, but it is not required.

8. ALL buckets and items not used must be returned along with the exhibit to the Greenwood County Fair in July. All Junk In A Bucket projects will be exhibited in a special class at the fair.

9. Only 4-H enrolled may participate in this project. This is an individual person project; NOT a team or club project.

10. Special prizes will be awarded in the three divisions: Junior, Intermediate, and Senior (Ages same as all Greenwood County 4-H Fair activities). Prizes will be based on creativity and originality of the project.
