Ideally, animals that place 1st and 2nd in market animal classes will be included in this contest. After the fair, a date to view carcasses at Woodson County Prime Meats in Yates Center will be determined, as this is where a majority of the animals will be for processing. The time frame for the visit is dependent on the schedule of the business. 4-H members and families who have questions about the 4-H Carcass Contest can contact Greg Davis at 620-340-9534.

**Photography Judging July 17th**
1. Photography judging will be on Saturday, July 17 starting at 8 am. Horse show participants will be judged first.

Guidelines are:
- Photos could be selected to go to the state fair under the color category
- If entering your color photo in the special award there will be a sticker to apply to your entry. Instructions are at the extension office when you pick up your photo boards. This is a one winner category
- All members would acknowledge that the GWCO Extension and Research office and /or ambassadors would use these photos for publication and promotion.
- Upon being selected for these possible projects, a digital file will need to be submitted to the extension office at a later date.
- The photo would not be eligible for open class

This would not increase the number of photos

**BEDDING LIVESTOCK AT THE FAIR**
Please feed hay when you have the animal out of the barn. Tie-out time is 8:30 p.m. Please have your animal on display until this time. We work hard at keeping our barn area clean.
