Program Description:
This workshop series will teach principles of recordkeeping to develop a balance sheet, income statement and a cash flow statement. Participants will work with a case farm to do performance analysis and understand how these statements can help with management decisions.

The program will be a combination of broadcasted keynote speakers, local speakers, and facilitators to assist in completing the hands-on activities. The goal is for participants to acquire financial management skills they can apply directly to their farming or ranching operations.

Registration Information:
$40.00 registration fee* will cover all meals and all program materials
*local scholarships may be available
